Title: Wearable wireless cap phone

AMENDMENT A

Assistant Commissioner for Patents

Washington, District of Columbia 20231

Sir:

In response to the Office Action mailed 09/16/2004, in timely compliance with the Notice under 37 CFR 1.121 initiated by T. Riddick and mailed 03/03/2005, please amend the above-identified application as follows.

CLAIMS:

21. (Currently amended) A communications device comprising:

a head garment in the form of a hat or cap having a soft crown and a stiff visor attached to the crown;

a stiff rib forming an upstanding supportive arch under the crown, the rib having an end portion fixed to the visor thereby stiffening the combination;

and

a wireless telephone supported by the rib and [garment] visor such that a user can telecommunicate while wearing the garment.
